TERMS & INFORMATION

Event Timing

Your function time and duration will be outlined in your booking confirmation. Should you require access prior to your event for styling or setup, please discuss this with our team in advance and we will do our best to accommodate where possible. In accordance with local council zoning requirements, all functions must conclude by 8pm.

BYO & RSA Service

The Boatshed is a BYO-only venue. Hosts are welcome to provide their own beer and wine for the event, with all beverages professionally served by our RSA-qualified staff throughout the function. For the comfort and safety of all guests, management reserves the right to refuse service to intoxicated patrons in line with RSA regulations.

Styling & Decorations

We welcome simple styling touches to personalise your event. To protect the venue and surrounding environment, confetti, glitter, party poppers, and open flames are not permitted. We kindly ask that all decorations, gifts, and personal items are removed at the conclusion of the event unless prior arrangements have been made.

Dietary Requirements & Allergies

We are happy to cater to dietary requirements where possible. Whilst every care is taken during food preparation, The Boatshed cannot guarantee the complete absence of allergens due to shared kitchen equipment and preparation areas.

Weather

As half of our venue is outdoors, weather conditions can occasionally impact the setup and atmosphere of your event. In the case of wet weather, we do have a large gazebo available, along with an additional weather tarp that can fully cover the deck area if required, allowing the event to continue comfortably.

Please note that while these options are practical and effective for protecting guests from the elements, they do alter the open waterfront feel and overall aesthetic of the venue.

Children at Functions

Due to our waterfront location, children attending functions must remain supervised by a parent or guardian at all times.

Entertainment

To maintain the relaxed atmosphere of the venue and comply with council regulations, only solo or duo acoustic performers are permitted. Any external entertainment or suppliers must be approved by management prior to the event.

Venue Care

We ask that guests respect the venue and its surroundings throughout the event. Additional cleaning or repair fees may apply in the case of excessive mess, damage, or breakages.
